

## Tools & toys

### Origami Side Table

inches; width and depth 20 inches each, respectively; also useful as nightstand or plant stand. Comes in red, white, black. Designed by Jaime Salm and Young Jin Chung at Mio.

**Price:** \$185; view [www.mioculture.com](http://www.mioculture.com).

**What's to love:** You assemble it by sliding and folding parts into place; no nuts, bolts, tools needed.

**What's it do:** Composed of two laser-cut and slotted powder-coated sheets of steel with recycled and recyclable contents. One sheet is the negative of the other, eliminating waste during production. Slide one sheet's slot into the other and bend surface panel and skirts into place as directed. Height 19

### Ravel Bedroom Valet

**What's to love:** Curved hanging points prevent fabric stretch and distortion.

**What's it do:** Has six loops at varying heights for coat, tie, shirt storing options. Has nonslip pants holder with coin tray. Comes in silver powder-coat finish with wood top cap. Assembly tools included. Measures 72 by 24 inches. Series also includes single and over-the-door coat hooks, coat rack.

**Price:** \$99; visit [www.theartofstorage.com](http://www.theartofstorage.com) or the Container Store.
