

Delta Michelangelo 2 Bike Gravity Rack

Integrating simple design and genius concept, Foxborough, Massachusetts-based Delta Cycles reinvents bicycle storage with the sleek and elegant space-saving Michelangelo storage rack. Made of powder-coated steel, this easy-to-assemble rack features adjustable arms that accommodate up to 80 pounds of bikes. Using three rubberized grounding points—two on the ground and one against the wall—this free-standing rack gets your bikes off of the ground in a sophisticated fashion that doesn't break the bank, and also doubles as a work stand. \$90, deltacycle.com
